

# Blackmagic Design Pocket 4K cage

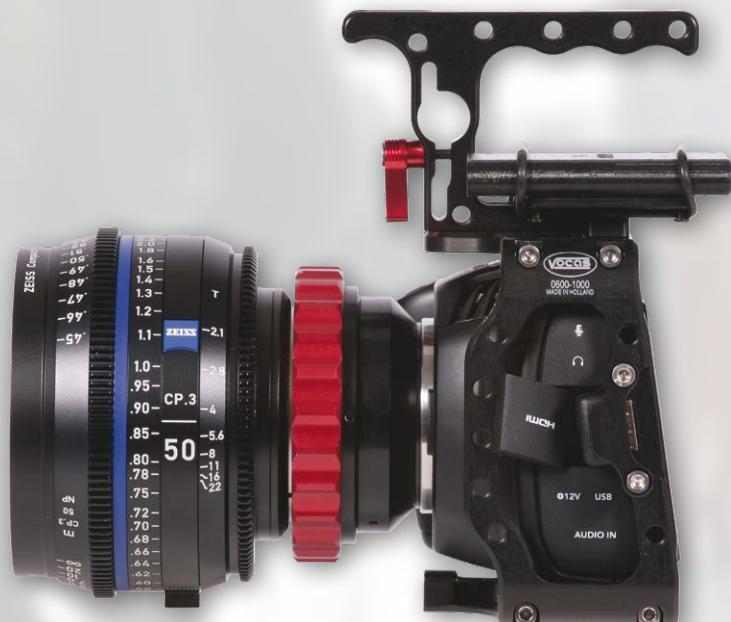

## Introducing the C-cage for Blackmagic Design Pocket 4K!

The Blackmagic Design Pocket 4K camera is the state-of-the-art camera of the moment. And this camera gets even better with the Vocas accessories. Our C-cage gives you the flexibility to get the shots you want.

The Vocas C-cage kit is designed to give you maximum freedom while at the same time adding minimal weight to your gear. The C-cage with an angled HDMI connector, with a top handgrip and an SDD holder weighs only 356 grams (12.5 ounce).

Mounting the Vocas C-cage onto the camera is easy. You just use the camera's thread holes at the bottom and the top. To keep the camera from twisting two center pins are included at the bottom of the C-cage.

Please see the back of this brochure for all available accessories and a complete kit.
